

108TH POTOMAC REGIONAL

25 - 27 April 2014

Hosted by: 2^D MD Artillery, Baltimore Rifles, and 1ST MD Cavalry

In a valiant attempt to forget the “artic vortexes” which made the past winter all the more memorable units from the Potomac Region, as well as teams from five other regions, descended upon Ft. Shenandoah in eager anticipation of what spring held in store. Saturday started out beautifully weather-wise, but by mid-morning Mother Nature saw fit to turn a number of target backers into Frisbees, and targets into shredded confetti via gale-force winds. For those poor souls enduring the elements, it wasn’t a constant struggle – howling winds only kicked up as hapless competitors/teams took to the firing line for their respective events...

Saturday evening Davy Crocket chaired a Regional Team Commanders’ Meeting. From this meeting several key items resulted which all members of the Potomac Region should be aware of:

- 1) Stake events: failing to cut the target will only incur a **30 second penalty** – Potomac Regionals only,
- 2) Individual targets are to be turned in w/in one hour after the respective match ends – Potomac Regionals only; and,
- 3) Probationary N-SSA members NOT affiliated with a team will be identified with red N-SSA Membership cards.

Sunday morning was absolutely fantastic. With units formed on the 25 yard line, the padre delivered an invocation worthy of publication in the Skirmish Line. Selected units also fired a salute, and all rendered honors to fellow Region Members who recently passed on. As a result of the previous evening’s meeting, the team (which shall remain nameless) that raised the issue of the stake event was given “additional” target material in the form of a second 1’ x 4’ stake courtesy of our overly generous a beloved Regional Commander & the Host Staff. All was taken in stride & good humor (as was intended) with said team cutting the first steak and VERY nearly cutting the second “jumbo” stake during the 5 minute event.

All-in-all this Spring Potomac was an enjoyable skirmish for those in attendance, due in no small measure to the Property Manager, Skirmish Director and host teams who ALL worked extremely hard to ensure a safe, effectively executed & fun experience for everyone else!
