

110TH POTOMAC REGIONAL

24 - 26 April 2015

Host Units: 1ST MD Inf, 13TH Conf Inf, and Capt Simms' Bn

Once again Fort Shenandoah served as the rally point for units that participated in the 2015 Spring Potomac Regional. Mother Nature could not have been kinder, or more repetitive, as warm, sunny weather was enjoyed all day Saturday until the start of the Smoothbore match. Unlike last year, skirmishers only had to contend with a gentle sprinkle, which turned into a steady rain by the end of the smoothbore match.

After business on the firing line was concluded, business of the Region was tended to by the Regional Commander, his staff, and team commanders. Of interest/importance to the region's membership, the following main issues were addressed:

- GenO 2015-1 was rescinded by the BoD. However, all team commanders are urged to stress the importance of safety on a routine & reoccurring basis at team meetings or other opportune moments.
- **Jeff Knause**, Nat'l Statistics Officer has resigned effective Dec 2015, **Matt Bennett** of the 8TH VA will be VERY busy filling some extremely large shoes! We all thank Jeff for a job well done, and likewise ask for everyone's support for Matt, as he takes the reigns of a vitally important, and often taken-for-granted, aspect of our beloved sport!
- Paymaster **James Baird** reported that the region is fiscally sound, & without any outstanding obligations. As such, a motion was made from the floor, and passed unanimously to donate \$5,000 towards a new, wider, more resilient foot bridge, replacing the one that was damaged in last year's flood. Nat'l Commander **Phil Spaugy** in turn expressed his deep appreciation for the Potomac Region's generosity, and their willingness to once again support Fort Shenandoah in meaningful and long lasting ways!

- **Brian Evans** is preparing rules regarding the "skying" of arms for the BoD. The region supports Brian in this endeavor.
 - A motion to lower the membership age to 14 is supported by the BoD, but was rejected by the region.
 - A policy to limit arms sales on the N-SSA website/publications to only those for skirmish use has the backing of both the region & BoD.
 - Motions to amend rules re: replacement of rear sights, AND to conduct a Grand Review during the 131ST National both failed to gain the support of the region and BoD.
 - The region is asking for maximum participation, i.e. a strong turnout for this year's Work Skirmish (20 – 21 June).
 - The next Potomac Region meeting will take place on July 11TH during the McNeill's skirmish to review the "A" package items in preparation for the August BoD meeting.
- Additional bits of news/information:
- The 8TH VA proposed a new Potomac Regional Trophy - the **T. Garth Miller** highest musket award. The next regional meeting will have this trophy for review and discussion.
 - The 44TH Veteran's Skirmish (17 – 19 July) will be held at the Fort in honor of **Carl Soine**, N-SSA National Chaplin.
- All of the hard work by **Tim Scanlan** and the host units was sincerely appreciated by all of this skirmishes' participants, who enjoyed the beautiful weather, camaraderie and smell of black powder filling the air.
