

111TH POTOMAC REGIONAL

11 - 13 September 2015

Host Units: 1ST MD Artillery (CSA), 13TH Confederate Infantry, Capt Simms Bn CSMC

This recent Potomac Regional was unlike any other in recent memory due to **A.C. Baird's** absence... Brother Baird served as our region's esteemed commander for 22 years! Before joining the N-SSA, A.C. served his nation with distinction in Vietnam, earning a Silver Star & a Purple Heart. A.C. was a very active, highly visible, and well respected skirmisher to both the N-SSA & Potomac Region. Although not physically on the line, his presence was most certainly felt by those that knew and loved him, especially on Sunday morning when a salute was fired in his honor, prior to the Musket Match.

From this last regional, the following items were discussed/voted upon:

For 2016, the much anticipated Snowball will be held on 15 - 17 January. At the Snowball, there will be a Regional Meeting held on Saturday night, 16 January. The Spring Potomac will be hosted by: McGregor's 2D Btty, & 3D MD Arty from 15 - 17 April.

The search for a Regional Chaplin continues. If anyone knows of a qualified/willing individual to serve in this capacity, please let **Davy Crockett** or **Lars Anderson** know. In the meantime, **Clint Huffman** (5TH VA Inf) was recognized for his stellar performance in filling the role as the region's interim Chaplin.

A donation of \$100 was made by the region to *the* Culpepper VFW, in appreciation of this organization's support to veterans and their families, esp. in providing funeral honors.

The N-SSA Property Management Committee is making a full court press in cleaning up the Fort, focusing on removing abandoned campers & privately owned shelters. If your unit's campsite has a "resident eyesore" taking up space, please let Davy know.

Team entry fees at future Potomac Regionals will be increased. To date, all the other regions have imposed *two* fee increases, with the Potomac being the lowest costing region in the association. We've worked hard to keep costs low; however, due to increases in material costs, and deteriorated profit margins this slight rise was needed.

From the last BoD meeting a few items of interest resulted:

- Inactive shooters will be removed from the database for arms they don't fire in individuals over 2 years (starting Spring 2016 Nat'l).
- A motion that host teams would support (frame set up, scoring, recording, etc.) Individual BB matches was retracted by the BoD. The Potomac Region supported this initiative.
- Fourteen year olds, with N-SSA membership are to be excluded from the Youth Competition.

The skirmish director, **Chrissy Gipe**, of the 1ST MD Artillery did an outstanding job, with the support of her dedicated host teams. Likewise, **Tim Scanlan** has to be recognized for his tireless energy, and boundless devotion to our region's home range. Because of ALL of their combined efforts, and sacrifices, the rest of the Potomac Region was able to enjoy a wonderful and safe skirmish!
