

115TH POTOMAC REGIONAL

September 8 - 10, 2017

Host Units: Washington Blue Rifles, 12TH Regt US Regular Inf

By: Colonel RD Freeman, USMC (W.B.R.)

This write up is unique in that it's coming from the perspective of helping to *host* a Potomac Regional. For those "uninitiated" with hosting a shoot, all that can be said is that you're sorely missing out on a unique experience that compliments a skirmisher's overall understanding, and appreciation of our sport!

Personally, I had a ball. Despite not being able to shoot, I enjoyed working in various facets on the host staff. From doing so, I was happy to see hundreds of fellow enjoy a safe, worry free, and competitive skirmish.

Weather-wise, "beautiful" describes it all. Many skirmishers noted how surreal it felt not being rained upon, or flooded out, during a Potomac Regional!

On Sunday morning our friend, brother skirmisher, and National Deputy Commander **Wade O. Huffman** was remembered with a musket & canon salute.

In recognition of their sustained and dedicated efforts to the region with the BB Gun matches, **Mark Elton** and **Robin Hildebrant** received the highly coveted John C. Carrol Service Award.

Kudos to the Skirmish Director, **Davy Crockett** and everyone else who participated in hosting this regional. **Tim Scanlan** deserves recognition as well, for his continuous service to the association!

From the Commander: "Teams must 'follow through' with ALL new members regarding their roles & responsibilities on the line, esp. new team captains. Also, to avoid recruits from getting discouraged - ensure that they are proficient in loading ammo, and maintaining their arms in order to avoid fouls on the line. **Great work on those teams getting new/young members! PLEASE keep up your efforts, we need MORE!!**"
